Ways to get Around Savannah

The City of Savannah boasts a multi-modal transportation system that can move downtown visitors by road, and sea at no charge. The Downtown Transportation (DOT) system is comprised of:

**Savannah Belles Passenger Ferry:** These boats depart from the City Hall Landing on River St. and provide ferry service between River Street and Hutchinson Island. Bicycles and strollers are welcome on board.

**Dot Shuttle:** The Dot Shuttle takes passengers to many of the cultural and historic points of interest downtown, as well to and from the city’s 5 public parking garages.
